

METRO EXPRESS

SERVICE

In January 2007, RTD introduced Stockton's new Bus Rapid Transit service - Metro Express.

Metro Express (Route 40) operates during peak hours at 15-minute frequency, and at 30-minute frequency early morning, evenings, and weekends.

Metro Express uses clean, quiet, and efficient Diesel-Electric Hybrid buses to connect Downtown and north Stockton.

Metro Express operates between Hammer Lane and the DTC, on Pacific Avenue, El Dorado and Center Streets, with fewer stops and quicker connecting service than regular Metro service.

TECHNOLOGY

Specially designed and sheltered bus stations are served exclusively by Metro Express. Each station has a Fare Vending Machine so passengers can pre-purchase their fare, thereby reducing boarding time.

Metro Express buses are low-floor, high capacity buses with wider doors and wheelchair ramps, making them accessible for persons with disabilities, and making boarding and exiting more efficient.

GPS-enabled on-board electronic displays provide stop information accompanied by automated voice announcements.

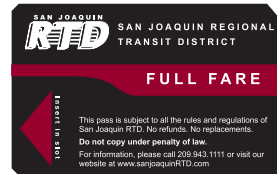

Metro Express will use traffic signal priority technology, which allows the bus to change red lights at intersections to green when necessary to stay on schedule.

Metro Express Accepts Pre-paid Fares Only

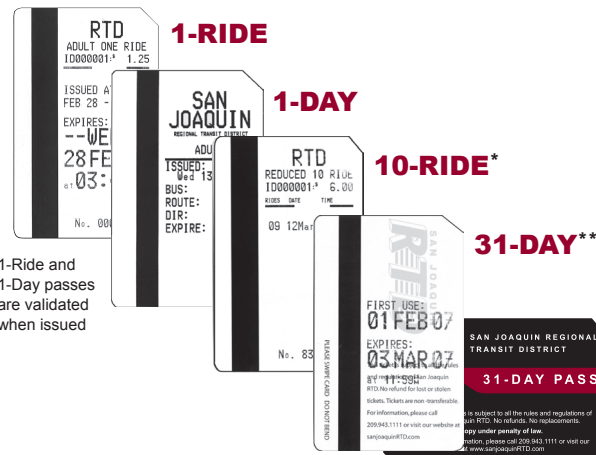

Before boarding, you must have a valid RTD ticket or pass

Fare Vending Machine Passes

Regular

Discounted

1-Ride and 1-Day passes are validated when issued

1-Ride pass issued by Fare Vending Machine is good for 1 hour from time of purchase

*10-Ride passes must be validated before each use

**31-Day passes must be validated before first-time use

Fare Vending Machine passes can be used on any of RTD's regular fixed routes Proof of eligibility^{††} can be required for discounted fares

^{††} RTD Discount Identification Card or Senior/Disabled Medicare Identification or Senior Driver's License or Identification Card

**** YOU MUST SHOW YOUR PASS IF ASKED ****

Failure to possess a valid pass, ticket, or transfer is a violation of California Penal Code 640 (b) (1) PC. Violators will be cited, and can be fined more than \$500

QUESTIONS? (209) 467-6634

The Downtown Transit Center (DTC)

The DTC, at 421 E. Weber Avenue, is Stockton's downtown public transit hub. Nearly all RTD routes connect at the DTC, with 20 sheltered, off-street bus stops on two passenger boarding platforms, and additional stops on Channel Street and Weber Avenue. At the on-site customer service center (open Monday-Friday 8:00 a.m.-5:00 p.m.), customers can get system maps and schedules, purchase fares, and make customer comments.
